

APawn

```
classDiagram
    class APawn
    class ABattlefieldCameraPawn
    ABattlefieldCameraPawn --|> APawn
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'APawn'. Below it is a box labeled 'ABattlefieldCameraPawn'. A blue arrow points from the 'ABattlefieldCameraPawn' box up to the 'APawn' box, indicating that 'ABattlefieldCameraPawn' inherits from 'APawn'.
